

**UMIYCA**  
**STEEL FABRICATORS**

An aerial night-time photograph of an industrial facility. The scene is illuminated by various lights, highlighting several large, cylindrical storage tanks in the background. In the foreground, there are more complex structures, including what appears to be a processing area with multiple tanks and pipes. A few trucks are visible on the ground, and the overall atmosphere is one of active industrial operations.

**Manufacturers of  
Chemical,  
Pharmaceuticals and  
Dye Stuff Process  
Equipment**

## We Manufacture items such as

- Pressure Vessels
- Screw Conveyor
- Heating and Cooling Coils
- Reactors
- Condensers
- Heat Exchanger
- Columns
- Pressure Filters
- Storage Tanks
- Receiver Tanks

## We have an excellent Infrastructure

We have following in house facility to complete you fabrication needs with great quality and accuracy in a very timely manner.

### Over-Head Cranes

- 12 Ton Over Head Hoist - **2 nos**
- 10 Ton Over Head Motorised Chain Block - **4 nos**
- 5 Ton Over Head Hoist - **2 nos**
- 15 Ton Over Head Motorised Crane - **3 nos**

### Bending Facility

- Shell Bending Machine, 35 MM thk capacity

### Cutting Facility

- Air Plasma Cutting 50mm Capacity - **2 nos**
- Diode Base Plasma Cutting - **4 nos**
- CNC Plasma - 25mm Capacity - **1 nos**
- Oxygen Based Cutting Machine Upto 100mm - **5 nos**

### Drilling Facility

- 60 MM Makson Make Drilling machine – **3 Nos**

Area of  
**2000**

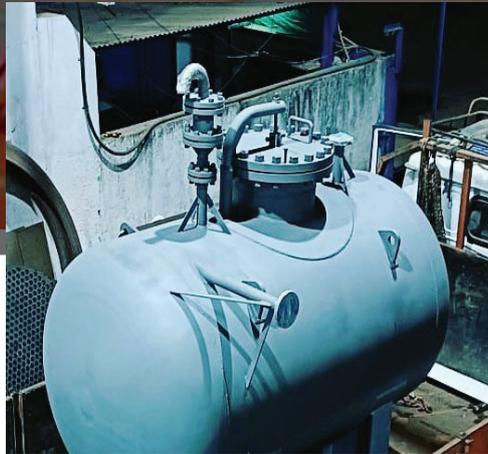

Sq. mtr is connected with

**50 HP Power**

Cranes with lifting capacity up to

**37 TONS**

and many other equipment.

## Grinding Facility

- 9" Grinding Machines Makita make - **8 nos**
- 7" Grinding Machines Hitachi make - **9 nos**
- 7" Grinding Machines Metabo make - **1 nos**
- 5" Grinding Machines Hitachi make - **4 nos**
- 4" Grinding Machines Hitachi make - **3 nos**

## Welding Machines

- 600 Amp Diode based Rectifier - **8nos**
- 400 Amp Diode based Rectifier - **10 nos**
- 400 Amp Inverter based Welding Rectifier - **9 nos**
- TIG Welding High Frequency Welding - **8 nos**
- FCAW / MIG Inverter Based Welding Machine - **5 nos**
- SAW 1000 AMP Inverter based welding system with 4mtr x 4mtr column boom and 20 ton capacity rotators - **2 nos**

## Clients We Serve...

**KUTCH CHEMICAL INDUSTRIES LTD**

Government Recognized Star Export House  
ISO 9001:2008, ISO 14001:2004 & OHSAS 18001:2007 Certified

**Gujarat State Fertilizers & Chemicals Limited**  
Enriching Lives Everyday

**INOXCVA®**  
HISTORICALLY FUTURISTIC
